Product Description

Shunga Sensitizing Gel Lotus Noir

Sensitizing gel for lovers is specially designed to make the female and male orgasm more intense.

This sensitizing gel gives a soft refreshing feeling during the love act.

Produced from 100% biologically certified products, this stimulus stimulates as a stimulus.

The difference between Lotus Noir and Dragon is that Lotus Noir provides a refreshing feeling where Dragon causes a heat effect.

Apply the gel and around the clitoris and massage onto the soft mucous membranes to achieve a fresh and tingling feeling.

The unique formula enriched with the specific amino acid L-Arginine increases blood flow to and around the clitoris to bring sexual desire and excitement to unprecedented heights.

Lotus Noir causes the same effect on the penis.

- Apply the gel on and around the acorn and pay extra attention to the crown and the frenulum.
- Water-based and pure organic certified vegetable glycerin
- Increased clitoral and penile sensitivity
- Promotes natural wetting Latex-friendly
- Not recommended during pregnancy or in case of herpes genitalia.
