Product Description

Shunga Lovebath Sensual Lotus

Lovebath Ocean Temptations represents the sensual experience of the Japanese love bath.

The inspiration was found in the luxurious Japanese Lovebaths with eroticism in the forefront. Shunga allows modern lover to wrap a rest break through a unique bathing experience.

Pour the contents of the first bag into the bathtub while flowing with very hot water. Within a few moments, the warm water will visibly change into thousands of soft blue beads that release an ocean-fresh scent.

Enjoy alone or with his two of this soft and fragrant oasis, let the crushing beads enclose your body. Discover an extraordinary sensory thrilling experience.

The medicinal properties of the gel nourish the skin and leave it attractive and gentle behind, ready to be strived with love.

Lovebath is an ideal playground for passionate unrest ...

Afterwards, pour the contents of the second bag into the gel and stir. Allow a few moments to work until the gel becomes liquid and let the bathtub drain.
