Product Description

Shunga Aphrodisiac Warming Oil Vanilla Fetish

Heat oil Aphrodisiac Warming Oil Vanilla Fetish

This erotic heating oil is edible and has a delicious taste of vanilla.

In order to increase the sensitivity of the erogeneous zones, the oil based on natural ingredients is embedded into the desired body parts in small amounts.

The heat effect is achieved by focusing on the hot breath.

- Ideal to stimulate the erogenous zones
- The hot breath causes the heat effect
- Delicious taste of vanilla
- Increases sensitivity
- Does not contain sugars

NOT recommended as a massage oil or lubricant. External use only.

Weight: 336 gr

Specific
